## ONAM CELEBRATION

The campus of SNM International School bloomed with colors, culture, and cheer as the Atha Pookalam adorned the floor like a floral poem of unity. Teachers swayed gracefully in the **Thiruvathirai dance**, weaving beauty through every step.

Petals met palms as the Atha Pookalam blossomed — a circle of colors telling tales of harmony. Teachers swayed to the rhythm of the Thiruvathirai dance, their steps a melody of tradition and joy.

## TEACHERS' DAY

The corridors of SNM International School echoed with love and laughter as little hands carried surprise gifts and colorful cards — a tribute to their teachers. The sweetness of cake met the sweetness of gratitude, and Principal's warm wishes wrapped the day in grace.

A gentle hush fell as the story of **Dr. Sarvepalli Radhakrishnan** came alive through a heartfelt cartoon film.

Each celebration, a chapter. Each smile, a memory. Together, they stitched the story of a school that celebrates life with heart and harmony.
